**Ohio State University College of Law**  
**2020 Betty Montgomery Scholarship Winner**

Andrea is from a suburb of Cleveland, Ohio but has called Franklin County home since 2012. After working for the State Legislature and on the campaign side as a campaign manager and fundraiser, she decided it was time to fulfill her goal of becoming an attorney. At Moritz, she is a part of the moot court and mock trial travel teams, and she won the inter-school Lawrence Negotiation Competition in 2019. She plans on becoming a civil litigator after law school with hopes of becoming a judge one day.
